

Dietary List: Vegetarian

Current at September 2020 for Nestlé Australia Ltd.

The following list of products are suitable for a Lacto-Ovo Vegetarian diet (some products may contain egg, dairy or honey). Products marked with an asterisk* contain Vitamin D from lanolin.

This list of products applies to products manufactured for the Australian market (identifiable by Nestlé Australia Consumer Services details on pack).

This information is correct at date of issue and may be subject to change.

Please check the product ingredient list on labels before consuming a product.
